

Our Lady of Mt. Carmel Regional School
2016-2017 Milk Order

Our Lady of Mt. Carmel is now participating in the “The New Look of School Milk – Plastic Bottles” This year we will be offering 1% low fat plain and 1% low fat chocolate @ the cost of 50¢/day for the monthly orders. The yearly cost for milk is \$65.00. If you choose to order monthly, September’s order is due by Tuesday, September 6th. Milk will not be offered on early dismissal days.

Recycling plastic milk bottles is environmentally friendly. Our lunchroom has a recycling bin for disposing of the plastic milk bottles. By us participating in the recycling effort, our students will learn to respect and take care of our environment.

Thank you.
