4. Fun

After School Session 2:15-5pm

Children will report to the gym after school. Attendance will be taken to ensure that every child scheduled is present. Snacks are not provided. If your child gets exceptionally hungry after school, you may send something extra for them to eat and drink.

Early Dismissal Days

When school closes for early dismissal (ex. Half day or sudden snow), the after school program will automatically open to accommodate the children. *Please note that lunches will not be served at school on early dismissal days, so please make sure your child has packed a lunch for after school.*

Emergency Closings

If school should be dismissed early because of snow conditions, the program will automatically open until 5pm, unless a "State of Emergency" is declared. When school is canceled, the program will be closed. In this event, you will be credited for that day in the following week.

Full Day Closing

When OLMC is closed for holidays or vacations, the After School Program is closed. You will not be billed for such days.

Financial

Payments are due on Tuesdays for the following week. Payments may be made by check, cash or money order. Please note the days your child will be attending. When we receive the weekly schedule, a master list is compiled, and the teachers are notified on Monday morning. To avoid confusion, please be certain we have the schedule on time.

Completely fill out all forms and return it to the school one week in advance with payments. If payments are not received by Tuesday of the previous week, your child/children cannot be in the program the following week. Late payments and registrations will not be accepted.

Regulations for Payment

No refunds or credits will be given for missed scheduled days. Money is credited only in the case of extended illness which is to be documented by a doctor's note. The program closes promptly at 5pm. A late fee of \$15.00 for every 15 minutes after 5pm will be issued. No Exceptions. No prorated charges will apply. There is a \$35.00 returned check fee.

Discipline

All students are expected to listen and follow directions from the adults running the Program.

Steps to ensure proper discipline:

1. Give child verbal warning
2. Re-direct child to a new activity to change the focus of behavior.
3. Time out, one minute for each year of the child's age allowing time for the child to regain self-control.
4. A written report will be documented.
5. Parents will be contacted by phone about discipline.
6. Withdrawal of child from After School Program if problem continues.

Play Time

If your child is wearing the hard soled school shoes, we would like for him/her to bring a pair of OLD sneakers to wear. They should be placed in a plastic bag and marked with the child's name. The children can change shoes in the gym before play time. Their school shoes should be placed in a plastic bag and put into their back pack.

Homework

When snack is over, all students will be given quiet time for homework. Parents need to check their students' assignment books and RENWEB to ensure that homework is done properly and to review for tests. After-care staff is not responsible for checking these things.

Clothing

Please label all items of clothing with your child's name.

No child will be released to anyone except those listed on the authorized pick up form. ID must be presented if other than parents.
